## Sunday of World Missions

Elstal, October 2004

Dear Members of our Churches  
Dear Church Leaders and Pastors,

### Caring and Alleviating Need

is the theme for the Sunday of World Missions. We'd like to ask you to have this Sunday of World Missions in your church. As in previous years, the first Sunday of the Advent Season has been scheduled for this.

For this purpose we have put together elements for a **service (draft)**, which takes up the HIV/AIDS theme under the above heading. It includes a **suggested sermon on Luke 10:25-37** by Rev Thomas Klammt, EBM Regional Representative for Southern Africa, a **part for children** by Volkmar Hamp, Secretary for Work among Children in the Elstal Youth Department, and a **creative part** by Rev Andrea Klimt from Vienna (Austria). Besides you'll find **examples from EBM work** showing how we try to reach out to people affected by HIV/AIDS. You are invited to download pictures illustrating these projects from our web site: [www.ebm-masa.org](http://www.ebm-masa.org). We cordially ask you to pray for the mission work of EBM/MASA and to support us by donating your offering.

May God bless you.

With warmest greetings from the EBM head office,

Volker Bohle

Hans Guderian

Dietrich Weiland
